WÔPANÂAK • MAPS, LEADERS & WORDS

Noepe

Dry land • Martha's Vineyard

A map of selected Wampanoag place names

Find the numbers. Read the place names.

1 Âhqunah

Aquinnah • the end of the island

2 Taakemmy

West Tisbury • a corn-processing place

3 Kehtashimet

Lake Tashmoo • place of the great spring

4 Tchepiaquidenet

Chappaquiddick • place of the separate island

Color the land green and the water blue.

Which place is near the western end of Noepe?

My answer: _____

Simplified present-day coastline; numbered locations are approximate.

Read the map. Color the land and water.

Name: _____

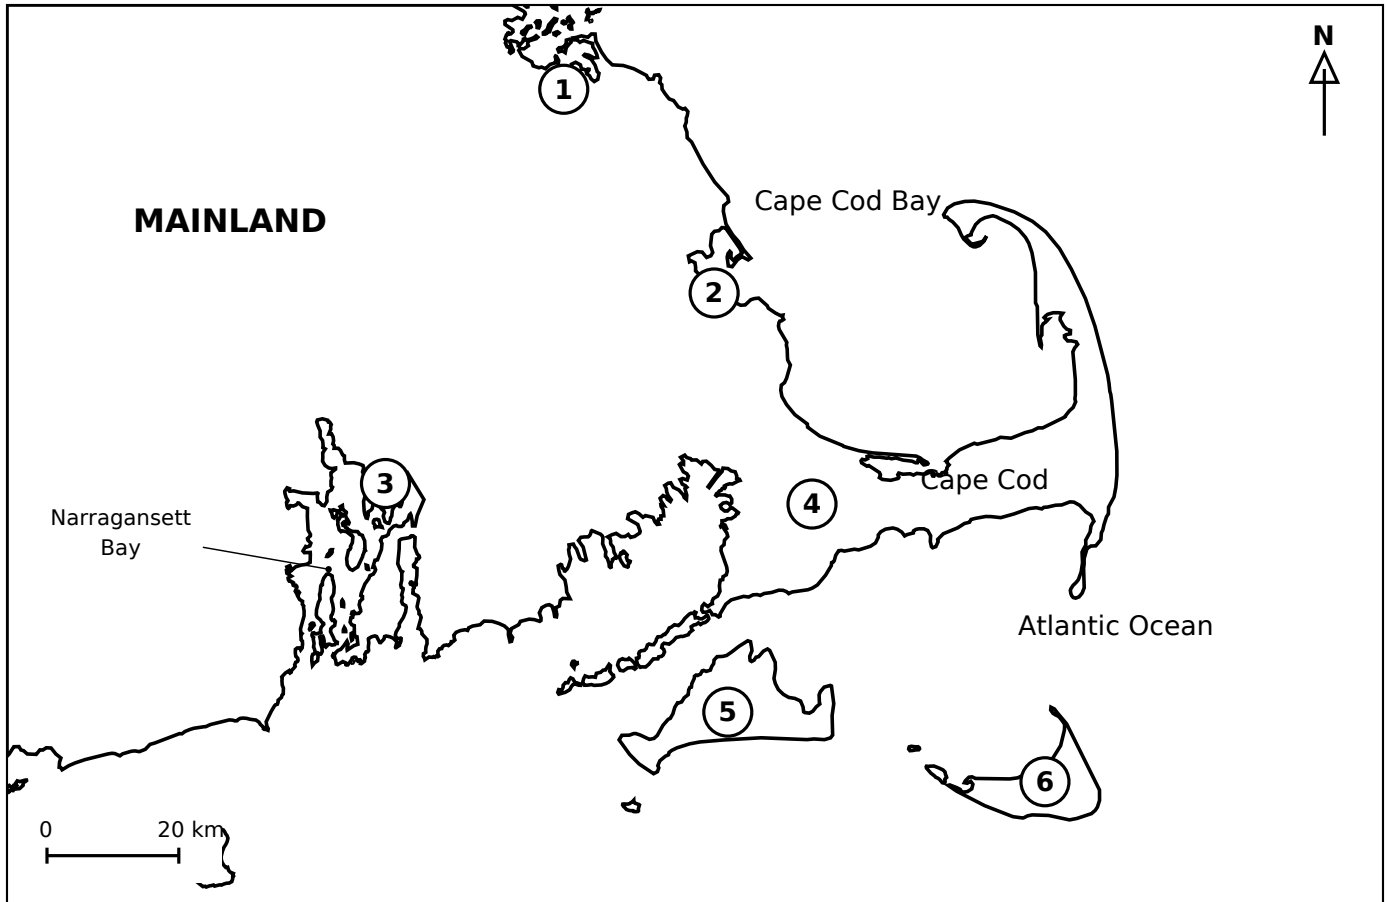

Date: _____

WÔPANÂAK • MAPS, LEADERS & WORDS

Wampanoag homelands

Southern New England

Selected places; Wampanoag communities continue today.

Match each number to a place.

1 Wessagusset

Present-day Weymouth

2 Patuxet

Present-day Plymouth

3 Pokanoket

Bristol-Warren area, Rhode Island

4 Mâseepee

Mashpee area, Cape Cod

5 Noepe

Martha's Vineyard

6 Natocket

Nantucket

Color the water blue. Circle the two numbered islands.

Selected locations are approximate. This map does not mark tribal borders.

Simplified present-day coastline used for geographic orientation.

Read the map. Color the land and water.

Name: _____
