Read the story

James Otis wrote about colonists' rights. He questioned taxes made without their consent. People disagreed about Parliament's power. These arguments helped build the road to revolution. A slogan is shorter than a full argument.

Otis published *The Rights of the British Colonies Asserted and Proved*. Do not confidently credit him with inventing every later taxation slogan. His pamphlet belonged to a larger debate about representation.

Think, talk, and show evidence

1. State the main idea. Support it with two details from the reading.
2. Explain a change or challenge described in the text. Which words support your answer?
3. Use one vocabulary word in a new sentence about this event.
4. What can the image and caption help explain? What can they not tell you?

Follow-up reading: Stamp Act protests

1765

Britain placed a tax on many printed papers. Bostonians protested. Some gathered near the Liberty Tree. Some protests became violent and damaged homes. People used different methods to oppose the law.

Resistance included boycotts, speeches, and demonstrations. Distinguish peaceful participation from attacks on people or property. A source describing one protest does not describe every participant's actions.

Compare the two readings. Explain one similarity or difference using a detail from each. Their order does not prove that one caused the other.
