Read the story

Many Boston police officers stopped work during a labor dispute. Disorder followed. Governor Calvin Coolidge called in the State Guard. The event brought national attention to conflicts over work and public safety.

Investigate officers' working conditions alongside government responses. Coolidge's public statements reveal his position, not every participant's experience. A source's authority does not make it neutral.

Follow-up reading: Sacco and Vanzetti are arrested

1920

Nicola Sacco and Bartolomeo Vanzetti were arrested and accused of robbery and murder. Their trial became widely debated. People questioned evidence and whether prejudice affected justice.

Both men were Italian immigrants and anarchists. Their political beliefs and background shaped public reactions. Distinguish criticism of a trial's fairness from claims about guilt that require evidence.

Compare the two readings. Explain one similarity or difference using a detail from each. Their order does not prove that one caused the other.
