Answer guidance

Factual anchor: Michelle Wu became the first woman and first person of color elected mayor of Boston. Her election changed representation in city leadership. Kim Janey had already served as acting mayor. The word elected matters. Janey was Boston's first woman and first Black acting mayor. Accurate first claims honor both stories rather than treating acting service and an election as the same event.

Accept accurate main ideas and explanations supported by the text. Vocabulary meanings are in the opening word bank. For picture questions, use the caption and credit below; distinguish what is visible from what is inferred. For comparison, accept a specific connection supported by both readings.
